** MDB cannot be used to create a product which is redistributed in an automated way. I.e. our license doesn't allow to create another framework which will be available on your website and your customers can pay and download the framework from your website including MDB libraries. On the other hand, if you create a custom app which requires manual installation on customer site, it is allowed to use MDB for that purpose.

Guidelines

You are granted the use products under the conditions featured in the above table. Ownership stays with Material Design for Bootstrap, along with the copyright holders and you must abide the following terms and conditions.

RIGHTS

1. You may modify the resources according to your requirements and use them in any or all of your personal and commercial projects. For example, you may include this resource in a website you will be designing for a client (applicable for Developer and Extended license).
2. You are not required to attribute or link to Material Design for Bootstrap in any of projects.

RESTRICTIONS

1. You cannot redistribute, resell, lease, license, sub-license or offer the file downloaded directly or non-directly to any other third party (people, NGO's, companies).
2. For any resalable web applications or software programs, you cannot include our graphic resources as an additional attachment.

3. If the item contains licensed components, those components must only be used within the item, and you must not extract and use them on a stand-alone basis.

4. You cannot redistribute any of the software (neither free nor paid), or products created with MDB software to repositories like Github, where they are publicly available or include into any Open Source projects.
